Fantastic Voyage is a 1966 American science fiction film directed by Richard Fleischer and written by Harry Kleiner. Bantam Books obtained the rights for a paperback novelization based on the screenplay and approached Isaac Asimov to write it. Fantastic Voyage by Isaac Asimov - Goodreads
Fantastic Voyage by Isaac Asimov was a very interesting book that looked at a futuristic technology and made it a reality. It took a really interesting look at the positive and negative consequences of technology in today's society. The book also highlighted that it is human nature to want to be better or more

superior than everyone else. Fantastic Voyage by Isaac Asimov, Paperback | Barnes & Noble® Asimov's first Fantastic Voyage was not his own: he merely novelized a movie, and was never satisfied with the end result for all of its scientific and otherwise flaws. It is a much better example of Asimovian science fiction: totally cerebral, and I like that at the end of the plot, there was no "getting the girl," as one sees all too often, even in Asimov's novels.
